Golden Rule Services On The Closing Of Breaking Barriers

SACRAMENTO, CA — For over ten years Golden Rule Services (GRS) has collaborated with Breaking Barriers in our collective fight against HIV/AIDS in Sacramento County. So successful was the collaboration that it became a model for California HIV/AIDS service organizations during the 2009 HIV/AIDS State budget cuts. This November, Breaking Barriers will be closing their doors after 19 years of serving the HIV/AIDS community.

Golden Rule Services is committed to ensuring that the mission of Breaking Barriers lives on through its award-winning HIV, STD and Hep C education and prevention services. GRS has extended volunteer opportunities to their volunteers and invites their clients to take advantage of a variety of free services that Golden Rule Services provides to avoid gaps in their HIV/AIDS education and prevention needs.

For over 14 years, Golden Rule Services has successfully provided a variety of award-winning HIV and STD education, prevention, risk reduction and other important services.

Golden Rule Services is a nonprofit organization founded in January 2000 with a mission to reduce health, education, employment and criminal justice disparities within diverse and underserved communities through the provision of culturally competent programs and resources. Some of the communities we serve include People of Color, youth, gay, lesbian, bisexual and transgender, substance users, low-income community members, people living with HIV, ex-offenders, and the uninsured and underinsured.

As the LGBT community faces the loss, we extend our hands to offer our services. Please do not hesitate to contact us at 916-427-4653
