Seeking Board Applicants For 2015

SACRAMENTO, CA — NOV 26, 2014 - Golden Rule Services (GRS) is seeking individuals with professional backgrounds to join their Board of Directors for 2015. We encourage those with backgrounds in, or currently working in the fields of, law enforcement, education, employment development, social work, mental health, banking and finance, politics, and law. We strive to maintain a diverse board and encourage applicants from the People of Color, youth, HIV-positive, LGBT and differently-abled communities.

Our board members actively participant in fundraising, community outreach, and furthering our mission objectives. We encourage GRS board members to become active participants in the communities we serve.

Golden Rule Services is a nonprofit organization founded in January 2000 with a mission to reduce health, education, employment and criminal justice disparities within diverse and underserved communities through the provision of culturally competent programs and resources. Some of the communities we service include People of Color, youth, gay, lesbian, bisexual and transgender, substance users, low-income community members, people living with HIV, ex-offenders, and the uninsured and under-insured.

Once this process has been completed a majority vote is necessary for appointment of a new Board member. All board members are expected to actively participate in twelve (12) scheduled board meetings and a board retreat annually. Individuals interested in joining the Board of Directors should call Clarmundo Sullivan at 916-427-4653
