## GOLDEN RULE SERVICES JOINS GREATER THAN AIDS / WALGREENS NATIONAL HIV TESTING DAY COMMUNITY PARTNERSHIP

**FREE HIV TESTING & INFORMATION, THURSDAY, JUNE 27<sup>TH</sup>, FROM 10 AM TO 7 PM  
AT WALGREENS 7299 LAGUNA BLVD.**

- WHAT:** On National HIV Testing Day, Golden Rule Services will be at participating Walgreens stores to provide free and fast HIV tests on site. Counselors can also answer questions about HIV prevention and treatment options.
- WHO:** Counselors from Golden Rule Services will be on hand to administer HIV tests and provide information.
- WHEN:** Thursday, June 27, 2019, 10 am to 7 pm
- WHERE:** Walgreens at 7299 Laguna Blvd.
- WHY:** HIV testing is recommended as part of routine health care, yet many Americans are not being tested as often as advised. Whether living with HIV or not, there are more options than ever to stay healthy. The first step is an HIV test. National HIV Testing Day is an opportunity to normalize HIV testing and encourage people to make it part of routine health care.

*The **National HIV Testing Day Community Partnership** is part of an ongoing effort between [Walgreens](#), [Greater Than AIDS](#), health departments, and HIV/AIDS service organizations to broaden the reach of HIV testing and information in non-traditional settings and help people understand the latest in HIV prevention, treatment and care. Over 275 health departments, AIDS service organizations and other community organizations are supporting the 2019 activation. BioLytical Laboratories, Chembio Diagnostics, and OraSure Technologies, Inc. are donating test kits and Abbott Rapid Diagnostics is providing support for outreach.
